

It's Easy

to find your network provider

Just follow these simple steps.

1. Visit www.aetna.com/docfind
2. a. If you're an Aetna member, you have a personalized version of the directory. It "recognizes" you and your plan. Just log in to search or register.

The screenshot shows the Aetna website's 'Directory of Health Care Professionals' page. The header includes 'Contact Us', 'En Español', and 'Login'. The main heading is 'aetna® Directory of Health Care Professionals'. Below this, a welcome message reads 'Welcome! Search Aetna's directory of Doctors and Facilities'. The page is divided into two main sections: 'Already a member?' and 'Continue as a guest'. The 'Already a member?' section is highlighted with a red circle and contains a 'Login to Secure Site' button and a 'Register Now' button. The 'Continue as a guest' section includes a text input field for a 5-digit zip code, city, state, or county, a 'Look within' slider set to 25 Miles, and a 'Search' button.

- b. If you're not yet an Aetna member, you can continue as a guest. After you enter your zip code, you'll need to select a plan.
